## **ENVIRONMENTAL POLICY**

Structural Renovations Limited specialise in the repair and renovation of all types of structures, including concrete, brickwork and timber in London and the Home Counties.

The environmental policy of Structural Renovations Limited is to carry out its business in a manner that reflects our responsibility for ecology and safety throughout the whole range of the company activities.

To achieve this end we aim to reduce and limit the unavoidable risks through self responsibility and self control, by compliance with laws, regulations and standards and by co-operating fully with the appropriate authorities.

We will also endeavour to use products and procedures which are favourable to the environment and to inform and instruct all employees on the use thereof in accordance with the Company Health and Safety Policy.

In line with the requirements of the Concrete Repair Association (CRA) the Company will be working towards obtaining recognition of the ISO 14000 standard by 1<sup>st</sup> July 2010.
